DETAILED ACTION

Response to Amendment

The amendment filed on March 24, 2005 after final rejection is sufficient to overcome the prior art reference.

Allowable Subject Matter

Claims 7-9 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not disclose or fairly suggest a mobile cutting apparatus having housing means for housing and enclosing said saw or a hydraulic means for powering the saw out of the housing means as set forth in claims 7-9.

The prior art reference, Edwards discloses a mobile cutting apparatus (fig. 1) having a pivotally mounted boom (10) at its forward end a remote controlled saw (26) mounted at the forward end of the boom (fig. 1) a hydraulic piston and cylinder means (5) to raise and lower the boom about its pivotal mounting (6) to the vehicle, the boom having a means for telescoping (col. 3, line 14), said saw being rotatably mounted to the outer end of the boom to rotate coaxially of the length of the boom, said saw being pivotally mounted (18), whereby the saw may be manipulated to different positions by varying the position and length of the boom and by rotating the saw coaxially and raised and lowered (18) about its pivot to place the saw in different positions for various cutting objects. Edwards however fails to disclose a chain saw and means for housing. Seigneur teaches the use of a chain saw pivotally mounted to a boom apparatus for cutting or sawing a tree stump. Neither of the references discloses a housing means for housing or enclosing the sawing means as set forth in claims 7-9.

Art Unit: 3725

Neither the prior art reference of record nor any combination thereof discloses the claimed invention as set forth in claims 7-9. Accordingly claims 7-9 are allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
